

A MONTHLY NEWSLETTER FOR EXECUTIVES IN THE PROFESSIONAL BEAUTY BUSINESS

## YOUR BIG! 2017 BEAUTY SHOW, SEMINAR AND SPECIAL EVENTS CALENDAR!

How you as a product marketer, rep firm, distributorship, salon chain or other beauty business differentiate your brand will play a significant role in the level of your success in

The Kirschner Group's Todd Smith, Armstrong McCall's Frank Fulco and BIR's Mike Nave at Cosmoprof North America.

Greg Dawson & Associates' Principal Greg Dawson and BIR's Mike Nave at the Western Buying Conference.

2017. That differentiation stems from two major components—your product mix and the level of service you provide to your customers. Attending trade shows and conferences with an open mind is the best way to get a step ahead of your competitors.

To that end, **Beauty Industry Report** is delighted to bring you our most comprehensive Show, Convention, Special Event and Conference Calendar. It's the beauty industry's most complete calendar, with even more events and classes posted at [bironline.com](http://bironline.com).

For calendar updates all year long, visit [bironline.com](http://bironline.com)

Right: BIR's Mike Nave, John Paul Mitchell Systems' Luke Jacobellis, Helen of Troy's Scott Hagstrom, John Paul Mitchell Systems' Jason Yates and The Kirschner Group's Harlan Kirschner at Cosmoprof North America.

We've expanded our listings to include more international shows, more packaging events, more vital business conferences and workshops, more spa shows and more expos offering unique retail items to help beauty stores, salons and spas grow in new ways.

In our comprehensive 2016 show coverage, **Beauty Industry Report** reported on the newest innovative companies, emerging brands and shiny new products—the major growth drivers for beauty businesses—to bring them to you first. If you can't attend

from left: ColorProof's Jim and Cheryl Markham with BIR's Susan Silo Nave and Mike Nave.

these important events in person, reading our newsletter and our Facebook page will keep you on top of all the news that matters.

Shows and events also provide important insights into the next hottest company and important trends. For example, almost a decade ago, **Beauty Industry Report** discovered a little company called Moroccanoil at the NY International Beauty Show. Today, that company, which launched the hair oil category, is a giant in our industry.

Of course, networking has always been the foundation driving the beauty business, and shows provide the opportunity to connect with old friends and meet tomorrow's leaders.

Please continue to send us your show dates, as well as your post-event information and photos all year long, so that we can share your news with our readers.

**Here's to a successful 2017 for us all!  
See you on the show floor!**
